Fleet Performance Indicator of the Month

Authorized Driver Compliance:

- We started 2023 with more than 1,100 drivers not in compliance and by May 2024 DEP was the only Agency in full compliance.
- Fleet wants to recognize everyone who assisted in this project with special mention to:

Upcoming Programs

New Basin Trucks:

- 32 of our 47 Basin trucks are replaced with new trucks.
- That's 68% of the Basin truck Fleet.
- Director of Fleet Paris Apollon said: this is a major investment in heavy duty trucks, first in over 10 year.

Safety Corner

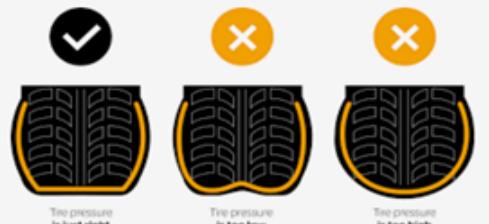

Summertime Driving Safety

Avoid the Dangers of Sun Glare:

- Clean windshield
- Clean dashboard
- Wear polarized glasses

Check Tires:

- Inspect for wear, or sidewall damage
- Check tire pressure {listed in a placard located on the driver's door}

This is a Screenshot: That is why it is not clear.

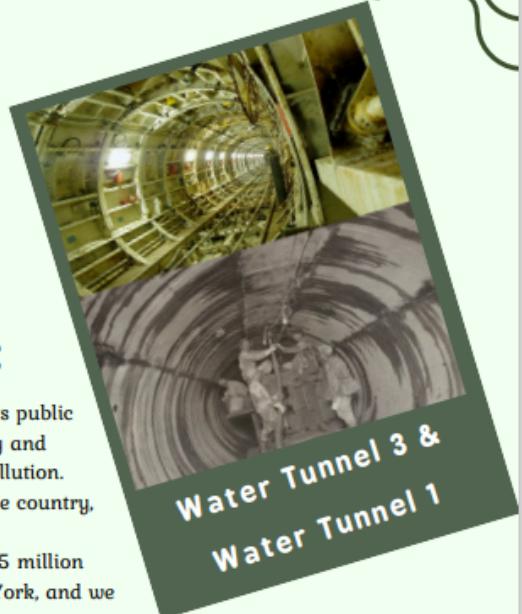

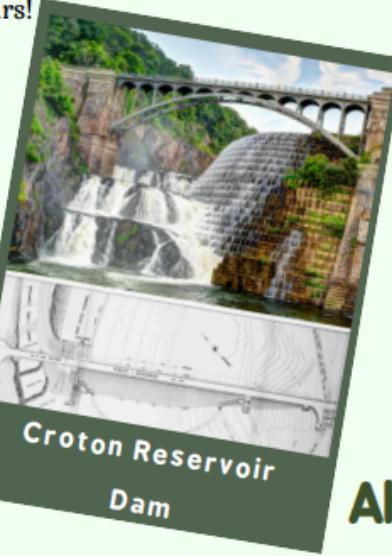

You're Invited!

It is our pleasure to invite our University Career Office partners to our First Annual **Agency Open House!**

August 5, 2024 10:00 am - 3:00 pm

Agenda to include:

- Career Opportunities in DEP
- Civil Service Overview
- Workforce Development Initiatives
- Project Presentations
- Meet & Greet with DEP Engineers & HR Professionals
- Site Tours!

About Us:

- The New York City Department of Environmental Protection (DEP) protects public health and the environment by supplying clean drinking water, collecting and treating wastewater, and reducing air, noise, and hazardous materials pollution.
- DEP is the largest combined municipal water and wastewater utility in the country, with nearly 6,000 employees.
- We deliver 1.1 billion gallons of high-quality drinking water per day to 8.5 million New York City residents and more than 1 million people in Upstate New York, and we collect and treat an average of 1.3 billion gallons of wastewater per day.
- As the engineering agency of the City of New York, DEP offers many exciting and challenging full-time and internship opportunities. DEP is an Equal Opportunity Employer, www.nyc.gov/dep
